L'ORÉAL / SOCIAL MEDIA FLIRTING

A practical prospecting playbook

A structured way to turn salon social profiles into useful market insight and account conversations. Developed at L'Oréal and adopted across multiple zones.

01

Discover

Find relevant salons through their social presence

>

02

Understand

Capture location, contact, customer profile and services

>

03

Prepare

Turn the record into a useful account conversation

>

04

Follow through

Account planning and pipeline tracking in Salesforce

Prospect record	Salon / social profile / location / contact route
Market insight	Customer profile / services offered / relevant opportunity
Sales handoff	Account context / conversation angle / next action

Commercial context: acquired 30 new salon accounts in six months during lockdown. This is the wider account-acquisition result.
