PROFILE

Commercial growth and go-to-market professional with experience across consumer brands, enterprise technology and regulated fintech. I lead acquisition, onboarding, activation and lifecycle work, combining customer understanding with commercial analysis and cross-functional delivery. My experience includes revenue growth at L'Oréal, multi-market commercial delivery at IGT, and fintech conversion improvements through CRM segmentation and customer journey optimisation. I also work with the founder and wider team across ImpactScope and Planet League on messaging, campaign planning and partnerships.

SELECTED IMPACT

- **L'Oréal:** ranked #1 Business Developer nationally for three consecutive quarters; delivered 30% annual revenue growth.
- **Customer acquisition:** acquired 30 net-new accounts in six months during COVID lockdown, achieving 84% of a ZAR 2.1M target.
- **FlareX:** improved activation by 15% and funded conversion by 10-20% through onboarding, KYC and lifecycle optimisation.
- **Acquisition investment:** managed a $600K annual budget across paid, introducing-broker and partner channels.
- **Environ:** increased B2B revenue by 20% in six months through trade activation and spend reallocation.

EXPERIENCE

Independent Growth & GTM Consultancy | Commercial Growth Lead

2024 - Present | Johannesburg / Remote | Concurrent portfolio mandates

- **Matteniche Group / FlareX:** led go-to-market positioning, launch sequencing and market-entry planning for a licensed crypto trading platform.
- Diagnosed onboarding and KYC drop-off using GA4, Amplitude and Salesforce data. Rebuilt lifecycle journeys in HubSpot and Braze, and managed paid, introducing-broker and partner acquisition channels.
- **ImpactScope & Planet League:** work with the same founder and wider team on go-to-market messaging, editorial planning, partnership activation and campaign content across LinkedIn, X and Instagram.
- Developed distinct content themes, publishing schedules and calls to action for both brands. Coordinate research, copy, creative assets and approvals; use GA4 and Meta to review campaign performance.
- Built reporting and performance tracking across Salesforce, HubSpot, GA4, Amplitude, Excel/Sheets and Tableau, supporting acquisition and activation reviews with founders and leadership.
- Work across commercial, marketing, product and operations on onboarding journeys, CRM segmentation and partner enablement.

International Gaming Technology (IGT) - EMEA | Marketing Specialist

2024 | Contract | Enterprise gaming technology

- Delivered 100% of VIP commercial targets within 60 days across South Africa, the UK and Spain. Built pre-launch demand and pipeline for regulated product rollouts, coordinating commercial and product stakeholders.

EXPERIENCE CONTINUED

Environ Distribution | Trade Marketing Coordinator

2023 - 2024 | Professional skincare distribution

- Increased B2B revenue by 20% within six months through trade activation and performance-based spend reallocation on a ZAR 3.5M budget.
- Managed Meta Business Suite, Ads Manager and trade marketing activity, using performance data to direct spend towards higher-converting channels.

L'Oréal South Africa | Commercial Growth Specialist

2019 - 2023 | Revenue development, account management and trade execution

- Ranked #1 Business Developer nationally for three consecutive quarters, delivering 30% annual revenue growth.
- Acquired 30 net-new accounts within six months during COVID-19 lockdown, achieving 84% of a ZAR 2.1M revenue target and managing pipeline in Salesforce.
- Improved digital conversion through account lifecycle management, trade partnerships, Meta campaigns and commercial execution.
- Developed Social Media Flirting, a demand-generation tool adopted across multiple international L'Oréal zones.
